

BAPTISM

colouring book

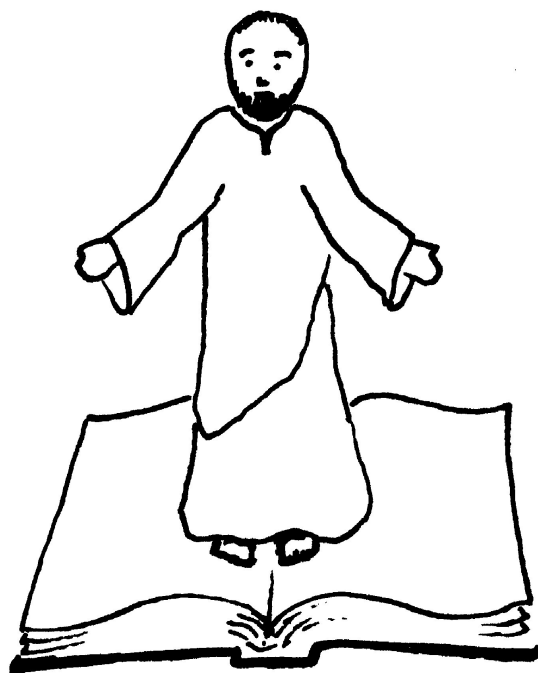

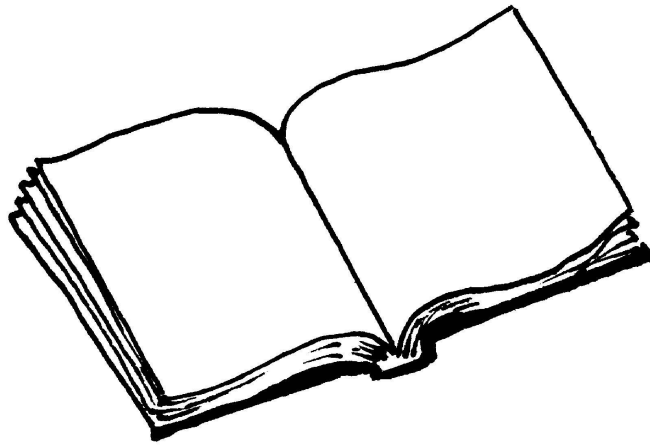

**We meet together
as God's family**

**Who is joining God's
family today?**

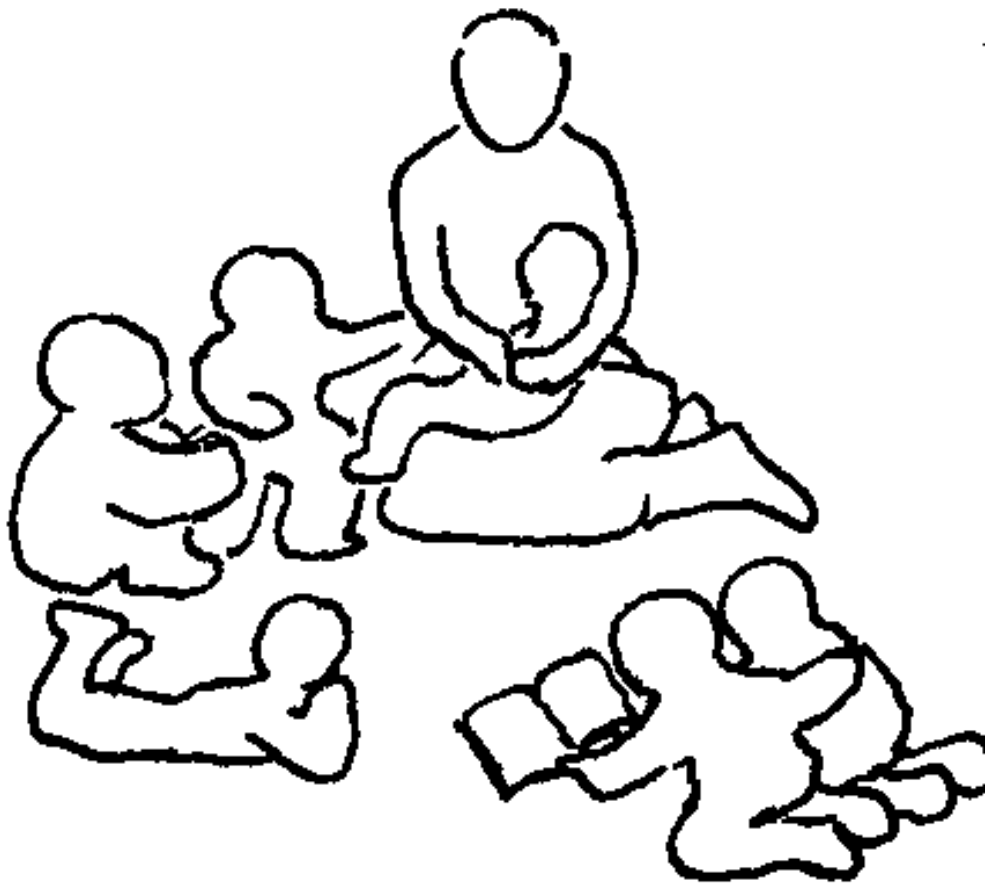

.....

We praise God by singing songs.

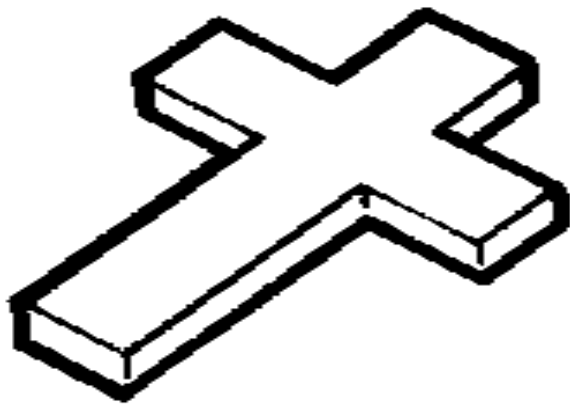

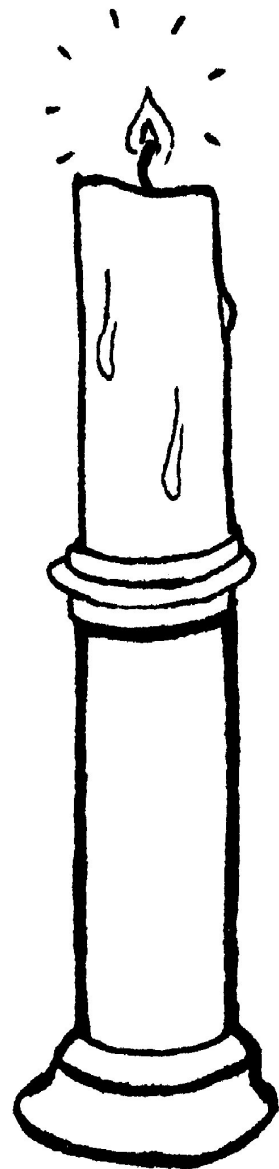

We read from the Bible.
Often we hear a story about Jesus –
we know that Jesus is
with us in church.
Do you have a favourite Bible story?

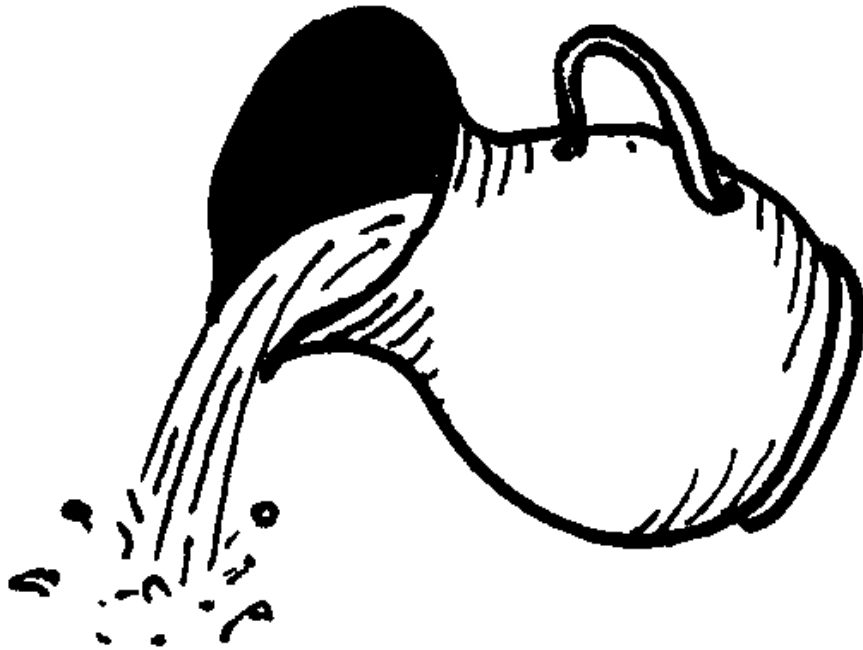

The parents and godparents
promise to help the person being
baptized by praying for them
and teaching them about God.

Who helps you learn about God?

We light a
special candle.
The light of God can
never be put out.

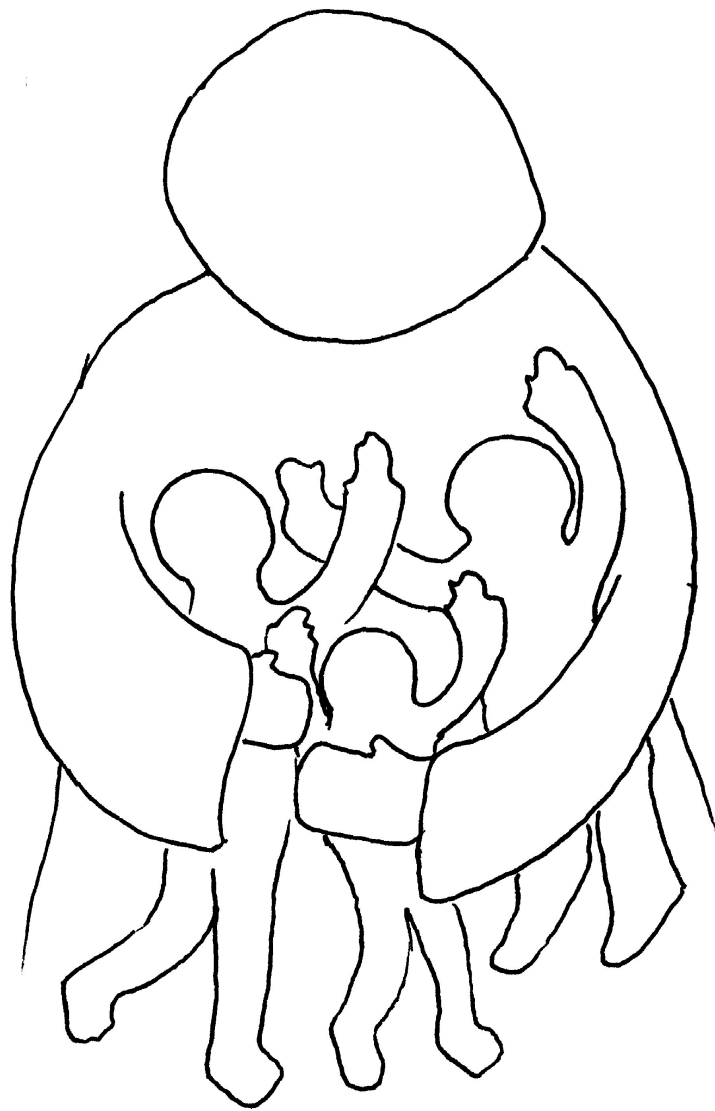

We make the sign of the cross.
This is the sign of Jesus.
It shows that we belong to him.

We pour water into the font.
Like water, God's grace makes
us clean, and gives us life.

We baptize
in the name of
the Father,
the Son
and the Holy Spirit.

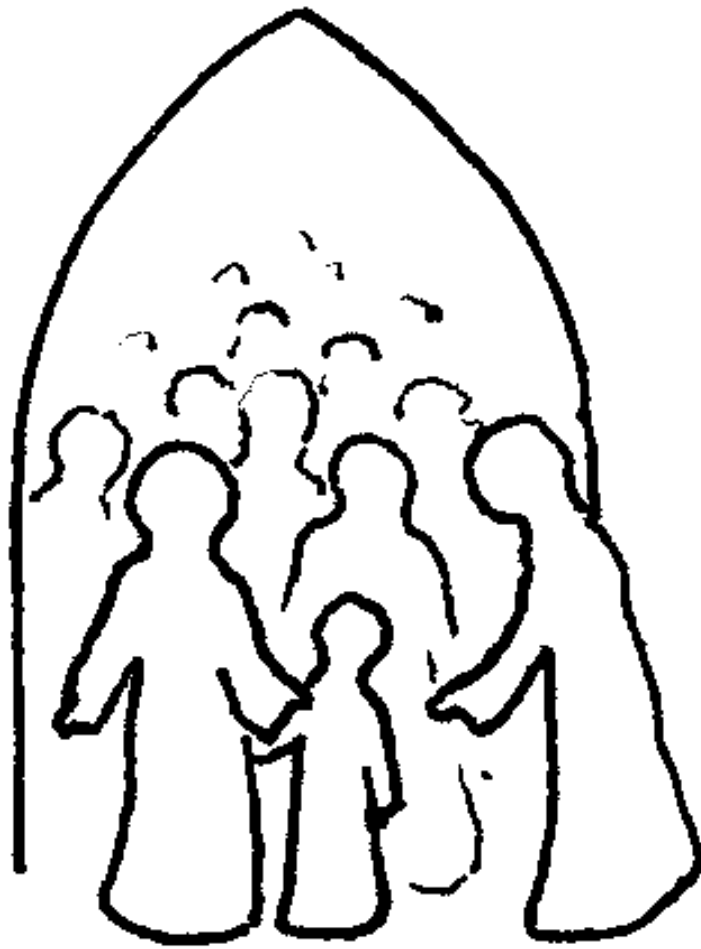

**We welcome the new members
of God's family**

**We pray to God for those
who have been baptized,
and for their parents and godparents.
When we pray God hears us.**

What would you like to say to God?

We sing another song,
and we are sent out
with God's blessing.

When Jesus was baptized, God said,
*"You are my child, I love you,
and I am pleased with you."*

God says the same to you.

Write your name in the space above.

part of the service?**
